4 lbs	1 Acre	5-7 Nodes Above White Flower	
SPLIT APPLICATION			
APPLICATION	* RATE	COVERS	Timing
FIRST	3 lbs	1 Acre	5-7 Nodes Above White Flower
SECOND	1 lb	1 Acre	21 Days After First Application

DIRECTIONS FOR USE: Add COTTON KICKER to spray water first and allow to completely dissolve. Then add compatibility agents and finally add any additional products, allowing each to mix totally in the solution before adding the next. COTTON KICKER has been used in conjunction with herbicide spray solutions with excellent results. Caution must be used when mixing to diminish any negative effects on the herbicide efficacy.

CAUTION: This product contains Boron and Magnesium. Should be used as recommended. Misuse may prove harmful. Do not use with highly alkaline spray materials, Bordeaux, or spray oils. Always add Cotton Kicker to spray mixture as the first ingredient.
